LED task light

LUXO

With its unique design and all metal construction, this impressive task light will stand out in any office environment. It has a particularly good light output, and an arm with covered spring design, long reach and great flexibility. Yet its overall size is modest. Ovelo uses modern dimmable light emitting diodes. It even has a timer: Ovelo automatically turns itself off after 4 or 9 hours in order to save energy. Standard version with table clamp or base. Wall bracket or other accessories can be ordered separately. Colours: White, black or silver grey.

## The importance of the personal task light

Follow this link to learn more about the importance of good workstation lighting, and how a task light can help you achieve a better working environment.

## LED: Light source of the future

Ovelo is equipped with state-of-the-art light emitting diodes, which provide bright, warm light. Light emitting diodes have an incredibly long life span. The diodes in Ovelo have a life expectancy of 50,000 hours. That means 25 years or more with normal office use. You may never have to change the light source!

---

## TECHNICAL DESCRIPTION

---

---

### LIGHT SOURCE

Supplied with 1 x integrated LED module 6W. Correlated colour temperature (CCT) is 3250 K, Colour rendition index (CRI) is 90.

---

### BODY MATERIAL & COLOUR

Steel arm and aluminium shade. Colours: white, black or aluminium grey.

---

### MOUNTING

Standard with table clamp (Ovelo clamp) or with table base. Integrated table mount, wall bracket or panel/rail bracket are available on request.

---

### OPTICS

Asymmetric light output. White, polycarbonate reflectors.

---

### POWER SUPPLY

Plug-in 20V power supply.

---

### ARM TECHNOLOGY & MOVEMENT

Parallel, three-pivot arm. Arm length is 70 cm. Up-and-down and side-to-side head movement. NB! Allowing for upward head tilt creates more flexibility but may cause unwanted glare.

A shut-off function is integrated. The light will automatically shut off after 4 or 9 hours.
